AMENDMENT B

SIR:

In response to the Final Office Action dated October 7, 1992, and to comments made by the Examiner and the Supervisory Primary Examiner during an Interview conducted December 10, 1992, Applicant's Attorney respectfully requests the Examiner to enter the following amendments to the claims in the above-identified U.S. Letters Patent Application. Entry of these amendments is respectfully requested even if the present application is not deemed allowable so as to place the present application in a better condition for appeal due to the cancellation of eight (8) claims. No new issues are raised by these amendments which should require a new search.
